Total Balance as of 03/24/2014 \$104,345.65
Please note, that as of 03/24/14 interest on all outstanding invoices will be capitalized. The capitalized interest will accrue interest as principal starting 03/24/14 at the same rate that the rest of the principal is accruing. You can avoid interest capitalization by paying all invoices due in full by 03/20/14.

On consequent invoices the capitalized amount plus the unpaid principal balance will be listed as "Previous Balance." The Issuing Date on the Previous Balance will be 04/27/13-03/24/14, and the Due Date will be 03/24/14.

Unless payments are made, $\$ 16,715.65$ will be capitalized as of 03/24/14. Unless payments are made, the Invoice Amount of the Previous Balance as of 03/24/14 will be \$104,345.65.
